

AGENTIC AI FOUNDATION
SRI LANKA CHAPTER

Sponsorship Prospectus

Partner with Sri Lanka’s agentic AI community
Community meetups · talks · hands-on learning · 2026

Who we are	Agentic AI Foundation - Sri Lanka Chapter
What we run	Recurring AI community meetups in Sri Lanka
Audience	Engineers, founders, researchers & students
Reach per event	70–100 attendees (physical) + online community
Sponsorship from	USD \$100 (three tiers available)

Three tiers of partnership - from Agent to Orchestrator. Custom & in-kind options available.

1. About AAIF Sri Lanka

The Agentic AI Foundation (AAIF) is a global, community-driven initiative advancing the responsible design, engineering, and adoption of agentic AI systems. The Sri Lanka Chapter brings this community home - running recurring AI community meetups across Sri Lanka that connect engineers, founders, researchers, and students around practical, cutting-edge AI.

Our events are free to attend and community-first: focused technical talks, real-world demos, and quality networking. Sponsorship is what keeps them free, well-run, and growing - and it puts your brand in front of exactly the technical audience you want to reach.

2. Why Sponsor Us

Sponsoring an AAIF Sri Lanka meetup is a direct, high-signal way to reach a hard-to-access audience of builders and decision-makers:

- **Targeted audience** - Reach a qualified technical crowd - 70–100 engineers, founders, and students per event, plus our wider online community.
- **Credibility** - Position your brand alongside a respected, globally-affiliated AI community.
- **Ecosystem impact** - Support talent, hiring, and product awareness in Sri Lanka's fast-growing AI ecosystem.
- **Repeat exposure** - A recurring series means ongoing visibility - not just a one-off mention.

3. Sponsorship Tiers

We offer three tiers so organisations of any size can take part - starting from just \$100. Each tier includes everything in the tiers before it. Pricing is shown in USD; the local LKR equivalent can be arranged.

Benefit	Agent Supporter	Multi-Agent Growth Partner	Orchestrator Headline Partner
Contribution	\$100	\$250	\$500
Logo on event slides & registration page	✓	✓	✓
Verbal acknowledgement on stage	✓	✓	✓
Social media recognition	Group shout-out	Dedicated post	Featured post
Banner / roll-up displayed at venue	-	✓	✓
Mention in post-event recap & photos	-	✓	✓
Logo on all promotional material	-	✓	Prominent
Lightning talk on the community stage	-	-	10–15 min
Demo or booth table at the venue	-	-	✓
Reserved event passes + priority check-in	-	-	8 passes
First right of refusal for next meetup	-	-	✓

Each tier includes everything in the tiers before it. Prefer to sponsor in kind or across a series of events? See the options below.

4. In-Kind & Custom Sponsorship

Prefer to contribute in kind rather than cash? We welcome partners who can support the community directly. Popular in-kind options include:

- **Venue** - Hosting a meetup at your office or a partner venue.
- **Food & beverage** - Refreshments or snacks for attendees.
- **Swag & giveaways** - Branded swag, notebooks, stickers, or raffle prizes for the community.
- **Media** - Recording, streaming, or photography support for the event.

In-kind sponsors receive recognition mapped to the equivalent tier value. Have something else in mind? We're glad to design a custom package around your goals.

5. How to Get Involved

Becoming a sponsor is simple:

- **1.** Reply to let us know which tier (or custom option) fits you best.
- **2.** We confirm the details and send you a short sponsor agreement.
- **3.** Share your logo and any assets - we handle the rest.

We'll keep you updated with attendance numbers, photos, and a recap after each event so you can see the impact.
